**PRESS RELEASE**
**FEED-A-KAYAYO PROJECT**

The Ghana COVID-19 Private Sector Fund in response to Government's call on the private sector to support the fight against COVID-19, has together with Julie Essiam (Commissioner at GRA), has commissioned the **FEED-A-KAYAYO** project effective 1st April 2020 to the 12th of April 2020. The project period may be extended as required.

This project was developed in conjunction with Government to help alleviate the challenges faced by head-porters, popularly known as Kayayei, as a result of the recent imposition of restrictions. It will seek to feed up to 8,000 head-porters a day – six thousand porters in the Greater Accra region and 2,000 in the Ashanti region.

The project aims to provide a meal a day to head-porters at various locations in areas impacted by the directive to restrict movements. The feeding arrangements are being organized in conjunction with the leaders of various head-porter groups. The meals will be provided by existing caterers of the Ghana School Feeding Programme.

We acknowledge the immense contributions by Julie Essiam (Commissioner, GRA), Mr. Dan Sackey (MD, Ecobank) and KPMG towards the conceptualization and structuring of this project. We are also proud and grateful to the men and women who have volunteered in these difficult times to assist with the organization and deployment of the project.

We hereby call on all citizens, corporate and public institutions to donate at least GHS5 to ***FEED-A-KAYAYO-A-DAY.***

We acknowledge the donations of the following people and organizations towards this project.
