REPUBLIC OF GHANA

PRESS RELEASE

DISINFECTION OF ALL MARKETS IN AHAFO, BONO AND BONO EAST REGIONS

His Excellency, the President of the Republic, directed the Ministry of Local Government and Rural Development (MLGRD) to coordinate with the Metropolitan, Municipal and District Assemblies (MMDAs) to enhance the conditions of hygiene in markets across the country.

Pursuant to the directives, a number of activities have been initiated including the disinfection of markets, public education and sensitisation of market women on COVID -19.

In view of this, the general public is hereby informed of the disinfection of **Forty-Three (43)** markets in **Ahafo Region**, **One Hundred and Twenty-Five (125)** markets in **Bono Region**, and **Seventy-Eight (78)** markets in **Bono East Region** on **Monday, 30th March 2020**.

Metropolitan, Municipal and District Assemblies (MMDAs) in collaboration with Market Queens and leaders are to close the underlisted markets in their jurisdiction on **Monday, 30th March 2020** for disinfection to enhance conditions of hygiene in order to contain and prevent the spread of the virus.

The markets would be opened on **Tuesday, 31st March, 2020** for business.

The Ahafo, Bono and Bono East Regional Coordinating Councils are to coordinate and ensure compliance with the above directive by MMDAs in the regions.

The Ministry requests the cooperation of the general public especially our traders and all persons conducting businesses in the markets, in this all-important exercise.

We count on your usual cooperation.

A blue ink signature of Hajia Alima Mahama (MP).
