FOR IMMEDIATE RELEASE **PRIVATE SCHOOLS TO ENGAGE WITH PTA**

The National Inspectorate Board (NIB) has received complaints from parents regarding the implementation of alternative methods of teaching and learning mainly online by Private Schools during the COVID-19 period. These efforts are laudable. However,

Parents have expressed concerns on the following;

1. How do they prepare their wards for online classes and how do they prepare themselves to support their wards?
2. Whether they are to pay the school fees of their wards in full or not?

The NIB, therefore, is requesting all Private Schools to engage with their Parent Teacher Associations (PTAs) to address these concerns.

Private Schools are to note that, establishing and having an active PTA is a requirement for certification as a School by the NIB and thus it is important to engage PTAs to secure their support in delivering quality education to learners. Schools without PTAs will not receive certificate of registration by NIB or their existing certifications will not be renewed.

For further clarification, please contact the Manager, General Administration of the NIB on 0302-907589 or 054-5732688 or via email on info@inspectorateboard.gov.gh

Yours sincerely,

HAGGAR HILDA AMPADU, PhD
