PRESS STATEMENT

UTAG's SUSPENSION OF WITHDRAWAL OF SERVICES

UTAG would like to inform the Public and all stakeholders that it has suspended its intended withdrawal of its services in all the public universities by the close of day today, Monday, September 14, 2020. This decision follows from a show of commitment by Government towards the payment of LAST Academic Year's – i.e. 2019/2020 Academic Year – Book and Research Allowances. UTAG has gathered pieces of information through its discussions with people representing Government that amply suggest that Government is heeding to the call of UTAG to pay the allowances, which should have been paid by the end of July 2020 at the latest.

UTAG, however, would like to urge Government to complete the payment processes by the end of **September, 2020**, otherwise it may be compelled to return to the withdrawal of its services.

Thank you.
