## **PRESS STATEMENT**

### **WASSCE FOR SCHOOL CANDIDATES, 2020 - UPDATE**

The West African Examinations Council wishes to update its numerous publics on the West African Senior School Certificate Examination for School Candidates, 2020.

Co-ordination and Marking Exercises have been completed and processing of results as well as other post-examination activities are ongoing.

The Council cautions candidates to be wary of websites announcing the release of the results and of persons who promise to upgrade results for a fee. These are activities of fraudsters and all stakeholders are hereby alerted accordingly. Furthermore the Council urges all institutions to always authenticate results presented to them.
