FOR IMMEDIATE RELEASE

COLLECTIVE BARGAINING CERTIFICATE AND RELATED MATTERS

On behalf of the National Executive Council (NEC), we wish to inform our rank and file as well as other key stakeholders that the Senior Staff Association – Universities of Ghana (SSA- UoG) was issued with the Collective Bargaining Certificate by the Chief Labour Officer on Monday 14th December, 2020.

This is in compliance with section 99 (1) of the Labour Act 2003 (Act 651).

As the appropriate Representative, mandated to negotiate with our Employer(s) and relevant stakeholders, we entreat non-unionised senior staff of public universities to join our fold.

While commending the Hon. Minister of Education; the Executive Secretary of the National Council on Tertiary Education; and the Executive Secretary of Fair Wages and Salaries Commission for the diverse roles they played, culminating in the issuance of the Collective Bargaining Certificate to our Union, we call on same, and by extension Government, to expedite action on our grievances.

As a matter of urgency, we expect Government to pay the outstanding Tier-2 contributions of our retired colleagues as well as announce a financial package for senior staff of public Universities.
