COMMUNIQUE

ISSUED BY SENIOR STAFF ASSOCIATION-UNIVERSITIES OF GHANA (SSA-UoG) AT AN EMERGENCY NATIONAL EXECUTIVE COUNCIL MEETING

At an emergency meeting of the National Executive Council of Senior Staff Association-Universities of Ghana (SSA-UoG) held on Wednesday, 26th May, 2021, the following decisions were made:

1. The empty platitudes and false promises made by Government in the past in matters concerning the resolution of our demands have reached intolerable limits, thereby making it highly impossible for the Strike to be called off.
2. The strike is hereby sustained until promises and commitments made by Government in the resolution of our protracted demands pave way for action to be expedited.
3. Government must quickly calculate and pay to our fund managers the interest on the Tier2 Pension contribution arrears using the actuarial method for each successive year at Treasury Bill Rates on accrued contributions spanning from 2010-2021 as published on the website of the Bank of Ghana (January: 2010- 19.69%, 2011-12.60%, 2012-11.40, 2013-22.90%, 2014-17.00%, 2015-22.50%, 2016-23.00%, 2017-19.50%, 2018-15.00%, 2019-17.38%, 2020-15.15% and 2021-14.50%.
4. Government must immediately announce a financial package to the Senior Staff Cadre of Public Universities, pending the outcome of deliberations on the non-basic allowance, to alleviate the unacceptable deteriorating working conditions we find ourselves in.
5. NEC is unimpressed with Government sixty (60) days period placed on the resolution of our concerns.
