THE EXECUTIVE SECRETARY
NATIONAL LABOUR COMMISSION
ACCRA

Dear Sir,

INTENTION TO RESUME INDUSTRIAL STRIKE

I write on behalf of the National Executive Council of Senior Staff Association- Universities of Ghana, to convey to you our intention to resume industrial strike on 18th May 2021.

This has become so compelling as a result of governments decision to flout the NLC 31st March, 2021 deadline directives to have the following concerns addressed as raised previously in our 21st January, 2021 Industrial Strike:

1. Non-payment of our Tier2 Pension arrears (2010-2016)
2. Market Premium and non-basic allowance
3. Failure by Fair Wages and Salaries Commission to finalize negotiations on our Conditions of Service.

I wish to assert that all efforts made by the National Executive Council (NEC) of the Association to engage with the relevant stakeholders to address our concerns have not yielded any fruit.

Sincerely Yours,

Zakaria Mohammed
