Dear Special Prosecutor:

PETITION: CUSTOM DIVISION OF GHANA REVENUE AUTHORITY

We, the undersigned concerned citizens of the Republic of Ghana, refer to your press release dated August 22, 2022, on the afore-mentioned subject, and highly commend you for your purposive efforts and resolve to the fight against various forms of corruption and corruption-related activities; a canker that erodes the very foundations of optimal national development.

In the said release, the Office of the Special Prosecutor of Ghana had commenced "Investigation into corruption and corruption-related offences in respect of auction sales of vehicles and other goods by the Customs Division of Ghana Revenue Authority between 1st July, 2016 to 15th July, 2022."

As people with considerable interest in and support for the work of the Special Prosecutor, and for an anti-corruption society generally, we petition, herein, your esteemed office to consider extending the period for the investigation to cover the years 2009 to 2015. This is important as there have been several allegations of corruption in relation to the auction sales within that period; notable amongst which is the famous Carl Wilson matter, where it was alleged that several auctioned cars were diverted without recourse to proper legal process.

We are of the firm belief that a lot of malpractices will be uncovered when serious attention is paid to this request.

Your cooperation in this regard is very much anticipated.

Yours faithfully,
