FOR IMMEDIATE RELEASE
CIRCULATION: ALL MEDIA HOUSES

CONGRATULATORY MESSAGE TO NEW MINORITY LEADER, HON DR CASSIEL ATO FORSON.

The Leadership of the National Democratic Congress (NDC) in the Central Region wishes on behalf of the entire membership of the party in the Region, to extend a very hearty congratulations to the new Minority Leader in Parliament, Hon Dr Cassiel Ato Forson on his elevation.

Dr Ato Forson's elevation offers ample testament to his hard work and dedication to the cause of the NDC in Parliament and in Ghana in general over the years.

He joins a distinguished array of sons and daughters of the Region, who have brought honour to the region through their meteoric rise to various high offices.

We have absolute confidence in Dr Forson's ability to perform excellently in his new role of leading the Minority in Parliament to keep the marauding and underperforming Akufo-Addo government in check and subject them to strict legislative oversight and scrutiny to protect the Ghanaian people from the abysmal and appalling governance they have offered.

We also wish to acknowledge the significant contributions of the immediate past Minority Leader, Hon Haruna Iddrisu and his leadership team to the NDC and Ghana's Parliamentary democracy and wish him well in any future endeavours even as he remains an integral part and important stalwart of the NDC.
