FOR IMMEDIATE RELEASE

August 1, 2023

EXTENSION OF DEADLINE FOR SUBMISSION OF PROXY APPLICATIONS

The Presidential Elections Committee of the New Patriotic Party (NPP) wishes to inform all stakeholders in the forthcoming Presidential Electoral College Elections that the deadline for the submission of proxy applications has been extended to Saturday, August 5, 2023 at 10:00am. This decision is based on some concerns raised by prospective applicants.

It is hoped that the extension will provide prospective applicants ample time to be able to comply with the requirements.

For the purpose of clarity it is further emphasized that;

1. A proxy applicant should show proof of ABSENCE and or inability to vote in person such as evidence of travel outside the country, and medical report.
2. An affidavit must accompany every application.
3. All proxy applications should be filed at the NPP Headquarters at Asylum Down or submitted to the Secretary to the Presidential Elections Committee through what's up (Contact:0540466684)

We wish to inform members that the Proxy list will be published in the print media for public consumption and verification. Any suspected false declaration may be challenged and referred to the appropriate national institution for further investigation

Members are further informed that only Delegates to the Electoral College shall have the right to vote by proxy.

Thank you.

William Yamoah (Mr.)

Secretary, Presidential Elections Committee
