

IN THE THIRD MEETING OF THE FOURTH SESSION OF THE
EIGHTH PARLIAMENT OF THE FOURTH REPUBLIC OF GHANA

REPORT OF THE COMMITTEE OF SELECTION ON THE
COMPOSITION OF COMMITTEES OF THE HOUSE

1.0 INTRODUCTION

Parliament, at the Third Meeting of the Third Session of the Eighth Parliament, approved by resolution the new Standing Orders of Parliament. The revised Standing Orders reconstituted the committees of the House by revising the membership and mandate of some Committees, established new committees and re-designated some of the committees established under the old Standing Orders.

In compliance with the Constitution and to ensure the smooth functioning of Parliament, the Committee met and composed the committees of the House in accordance with the provisions of the new Standing Orders of the House.

The Committee, in composing the committees, was guided by article 103 (4) of the 1992 Constitution which provides that every Member of Parliament shall be a member of at least one of the standing committees. The Committee also had

regard to the ratio of 138:137 representing the numerical strength of the Majority and Minority Caucuses as well as the conventions and practices of the House.

2.0 OBSERVATIONS

The Committee observed as follows:

Functioning of the House

- a) The delay in the composition of the committees under the new Standing Orders has created some lacuna in the functioning of committees which continue to impact negatively on the effective functioning of the House. The Committee also noted that there were a number of referrals that were necessary for the smooth functioning of Government but were currently pending as the committees were yet to be composed.

The re-composition of the committees was therefore imminent for expeditious consideration of referrals and conduct of Parliamentary business.

Chairpersons of Committees

- b) In composing the committees, the Committee adhered to Standing Order 210 and determined the chairpersons of the committees based on the ratio of 138:137, representing the numerical strength of the Majority and Minority Caucuses, save the committees whose chairpersons were already determined by the Standing Orders.

3.0 RECOMMENDATION

In view of the above constitutional imperative and the need for the smooth functioning of the House, the Committee, pursuant to Order 205 (3), proposes for the consideration of the House the composition of the membership of the Committees as indicated in the attached Appendix.

4.0 LISTS OF THE MEMBERS OF THE COMMITTEES

Attached as Appendixes 1 and 2 are the lists of the proposed Membership of the Committees of the House.

5.0 CONCLUSION

The Committee accordingly recommends to the House to adopt its report and approve the membership of the Committees as proposed in Appendixes 1 and 2.

Respectfully submitted.
