

GHANA WATER LIMITED NORTHERN REGION

MASS DISCONNECTION AND REVENUE MOBILIZATION

The management of Ghana Water Limited (GWL) Northern/Savannah Regions, wishes to inform the public and its valued customers that it will embark on a revenue mobilization exercise in the Northern and Savannah Regions from 1st November to 31st December 2024.

This exercise aims to retrieve all outstanding arrears owed by customers, identify and address illegal connections, detect self-reconnections, and eliminate the unauthorized use of in-line booster pumps.

Customers are encouraged to settle their arrears promptly through GWL's official online channels or at any designated pay-points across the Northern and Savannah Regions.

Thank you!
